301 W. Warrior Trail ~ Grand Prairie, TX 75052

972-343-1500

Warrior Families,

To maintain an optimal learning environment for all of our students, ensure safety, and limit distractions, we request your support as we limit the student use of cell phones at South Grand Prairie High School. All students must keep their devices turned off or on silent, with no use during class periods. We will allow cell phone use during breakfast, passing periods, and lunch. Students cannot use cell phones in class to access Canvas if they do not bring their school-issued devices. For safety reasons, headphones and earbuds are not allowed to be worn at any time during the school day (unless permitted by a teacher for assessments or curriculum-based activities).

If your child must call home during the school day, a telephone will be available in the discipline office during breakfast, lunch, passing periods, and the end of the school day. Health concerns can be addressed with our nurse and students will be able to use the telephone in the nurse's office. In the case of a family emergency, the office staff will give your child a message or have them return your call.

Devices will be confiscated if used at an unauthorized time. A parent, guardian, or student may pick up the confiscated device from the office. If confiscated more than once, the item will be returned to the parent, guardian, or student at a fee of \$15.00 for each offense. Failure to turn over the cell phone or other personal electronic devices when requested will result in a discipline referral, confiscation by an administrator, and campus-level consequences.

Thank you in advance for your partnership with our school and continued support to provide a safe and productive learning environment that limits distractions for all our students.

A handwritten signature in black ink, appearing to read 'Larry Jones', is written over a light gray circular background.
