FOOTBALL SEASON TICKET POLICY

Football season tickets sales and distribution shall be administered by the GPIISD Athletic Department consistent with the following policies:

NEW SEASON TICKET HOLDERS:

- Season tickets for varsity football will be available for sale at the Education Center Athletic Department on or around August 1 each year. Previous season ticket holders have approximately the first two weeks in August to exercise their option to purchase their same seats. The deadline date will be published each season. Any non-renewed at the conclusion of the option period will become available to the public.
- Season tickets are sold for the chair-back seats only, sections D, E, and F.

- Any seat in these sections not sold and any previously released seats will be available for sale on the first day of season ticket sales. Any quantity may be purchased; however, if there is an empty seat on either side of the tickets you wish to purchase, there must be a minimum of two empty seats.
- Season ticket sales will end at 12:00 noon on the day of that team's first home game.
- The following year, season ticket purchasers will be mailed a notice informing them of the dates for the option period to renew their seat tickets.
- Reserved parking passes for the West Lot, across from the front gate, will be available for purchase to season ticket holders on a first come basis beginning the first day of the option period until all available are sold. The East Lot will be reserved for handicapped patrons with HC car tags.
- If a playoff game is scheduled in the Gopher-Warrior Bowl, all season ticket holders for that team's regular season games will have first option on the first day tickets go on sale and may purchase their same seats and up to two additional seats, if available. No exceptions on additional seat purchases. On the second day of ticket sales all remaining unpurchased chair back seats will go on sale to the public on a first come basis.

PREVIOUS SEASON TICKET HOLDERS:

- Previous season ticket holders will have the option to purchase the seats they had the previous season during a specific window, beginning on or around August 1. Previous season ticket holders will be informed of the actual dates each year by individual letter to the home address on file at the time the seats were purchased.
- During this option period, season ticket holders may either purchase their same seats, or change/add seats from seats that were unsold the previous year.
- If previous season ticket holders do not purchase their seats during this option period, or notify the athletic department in writing or e-mail (becky.white@gpisd.org) of their intent to purchase their seats, they will be released and will be available to the public on a first come basis. No courtesy reminder phone calls will be made.
- As season tickets are released, they will be made available immediately on a first come basis.

- Reserved parking passes for the West Lot, across from the front gate, will be available for purchase to season ticket holders on a first come basis beginning the first day of the option period until all available are sold.
- If a playoff game is scheduled in the Gopher-Warrior Bowl, all season ticket holders for that team's regular season games will have first option on the first day tickets go on sale and may purchase their same seats and up to two additional seats, if available. No exceptions on additional seat purchases. On the second day of ticket sales all remaining unpurchased chair back seats will go on sale to the public on a first come basis.

INDIVIDUAL GAME TICKET SALES:

- After the first home game, tickets will be available on an individual game basis only. Individual game tickets are sold the week of the game only, no advance game sales. Tickets are sold at the Education Center, athletic department, each week beginning, Monday, 8:00-12:00 noon and 1:00–4:30 p.m. each day, until noon the day of the game.
