Dear Vendor:

The Grand Prairie independent School District, endeavoring to comply with the fullest intent of state bidding laws, has developed this bid package. The primary intent is to secure pricing for the items needed by the athletic program at this time. There may be additional purchases of these items, therefore, we are asking for firm pricing through December, 2009.

There may also be occasions where items not listed here may be desired for specialty use. Thus we are also asking for catalog pricing, if available, to include discounts applicable for the school district during the period of March 2009 through 2010.

Your participation in the catalog bid is not mandatory but will be beneficial to our District in securing unexpected equipment.

If you have any questions, please call.

Fred Clausen
Director of Athletics
