PHIL GURKE, DIRECTOR
TRANSPORTATION DEPARTMENT
514 SKYLINE DRIVE
GRAND PRAIRIE, TX 75051
(972) 343-4400

Parents and or Guardian:

House bill 3190 that was passed during the 80th Legislative session requires all students and teachers in the state of Texas to undergo training on how to evacuate a school bus in the event of an emergency. This training must be conducted twice in a school year, once in the spring and once in the fall. The campus where your child attends will have information of training dates and times for that campus.

Thank you:

A handwritten signature in black ink, appearing to read 'Phil Gurke', written over a light blue horizontal line.

Phil Gurke
Director of Transportation
