Title I Schoolwide Program Review – Completed at September Volunteer/Input Meeting

Dickinson continues to qualify as a Title I eligible campus due to the number and percentage of low-income students. Most campuses currently operate a Schoolwide Program. Campuses may elect to operate a Targeted Assistance Program. Dickinson Elementary elected for a Title 1 Schoolwide Program. Four Party Compacts and Parent Involvement Policies were sent home, signed and returned, and posted on our webpage. All completed forms are filed in the main office of the school.

Teachers not meeting the days of training for exchange days have been identified and communicated this information.
