

Florence Hill Elementary School

4213 Robinson Road
Grand Prairie, TX 75052
972-264-0802

Principal: Dr. Catherine Bridges

Mission: Our mission is to provide a positive, safe and secure environment that will empower students to learn while building self-esteem. Students will be afforded the opportunity to experience success and mutual respect which will prepare them to be lifelong learners. The Florence Hill community will cooperate to produce responsible individuals who are able to adapt to an ever-changing society.

About Our School: Florence Hill School has served students in the Florence Hill community of Grand Prairie since 1900. The current building was constructed in 1990. The rich history of the area is showcased within the walls and displays of Florence Hill Elementary. Currently, our campus serves over 500 learners in grades Prekindergarten – Fifth Grade. We have three CARE classrooms, where we serve Children with Autism and Related Exceptionalities. Additionally, we have a full day of blended prekindergarten, as well as blended kindergarten, in which we blend our general education students with our special education students in an effort to reap the most amazing benefits!
