Chancellor: Joetta Sneed Wesley

Mission: Scholars Today. Professionals Tomorrow. Global Leaders Forever.

Vision: Travis World Language Academy is a learning environment where students are confident lifelong learners who reach full academic potential through rigorous and intentional instruction in preparation to become future leaders in a global society.

About Our School: Travis World Language Academy is a GPISD non-traditional, charter school, choice campus that emphasizes 21st century learning opportunities in the areas of language acquisition, technology, post-secondary learning and STEAM (Science, Technology, Engineering, Arts and Mathematics).

Value Statements:

- We value 21st century learning skills to promote success in college, the military and/or technical studies.
- We value global learning opportunities to enhance awareness about real-world experiences.
- We value positive risk-taking behavior that builds character and challenges creativity.
- We value community and parental involvement to better understand the impact of our world today.
- We value bicultural and bilingual education to better understand one’s own culture and other cultures.
- We value the utilization of technology to be competent and competitive in a global market.
- We value independent learning, pair learning and group learning to challenge our leadership ability and style.
- We value biliterate learning opportunities in technical content areas like reading, science, social studies and math, in two or more languages, to be more competitive in a global market.
- We value learning with diversified groups internationally and nationally to enhance learning outside of our educational system.
