**Mission:** Marshall Leadership Academy develops tomorrow's leaders through strong academics, rigorous instruction and loving relationships. We foster successful achievers who are confident in their abilities to create a vision, seek to positively influence, work in service, and strive to develop the vision in cooperation with others and our school community.

**About Our School:** We empower students with the academic and leadership skills for present and future success. Marshall staff and students are currently learning the 7 habits of highly effective leaders by the Franklin Covey Foundation. The academic curriculum offers all courses required by the State of Texas for the mastery of standards for each grade level. Marshall Leadership Academy is a TEA and National School of Character (character.org).

**About Our Staff:** All of our staff are highly qualified and have been specially trained in the Flippen Group's Capturing Kids' Hearts because we know, "if you have a child's heart, you have their head." When you have the child's commitment to learning, he or she becomes ready to succeed in a global community.
