All iPads will be collected during the week of May 2-6 in preparation for
STAAR Testing!!!

If you have lost or broken your iPad see the librarian!

ALL THE ABOVE ITEMS MUST BE RETURNED

Only the Apple charger pictured above will be accepted.

Greetings Parents,

As you know, each of our students have an iPad assigned to them purchased by the district. These iPads will be used to take the STAAR test this year and need to be updated and prepared for testing.

Students may not use personal devices to take the STAAR test. They are required by the State of Texas to use their district-issued iPad and these iPads must be on campus and charged.

In order to have every student iPad ready to test, we will be collecting iPads in May 2-6 and keeping them on campus for the duration of testing.

If an iPad is currently broken, students are asked to bring it to the library immediately so that we can get the repairs completed before testing.

Thank you,
Francis Anderson, Principal
Jaime Williams, Assistant Principal
