Dear Sallye Moore Community -

Welcome back to returning families and welcome to families who are new to Sallye Moore this year! Although this year will again look a bit different, It makes me so happy to see our children returning to campus together. The past year and a half have shown how supportive, resilient, and resourceful our community can be. As we begin the 2021-2022 school year, the PTA Executive Board remains focused on supporting our students, families, teachers, and staff in every way we can. Our most important work remains to advocate for every child. I strongly encourage you to join the PTA and become more involved in shaping how education will move forward.

As always, our mission is to enhance our children's experience by forming a partnership with our school. One way of achieving this goal is by fostering a welcoming atmosphere in which families look forward to volunteering and becoming a part of the school community. Throughout the school year, the PTA hosts numerous events, allowing the opportunity to become involved at many different levels.

Please join me, the PTA board, and our entire school community as we embark on a quest to ensure Sallye Moore reaches its greatest potential. A list of board members, ways to join PTA, and fundraising, as well as links to other helpful information, can be found here. As always, feel free to contact PTA with any questions, comments, or suggestions at [smoorepta@gmail.com](mailto:smoorepta@gmail.com).

On behalf of the PTA Executive Board, I thank you in advance for your support.

Karen Williams-Coke
