Should the parent change the method of how they get home in case of an emergency, it must be in writing and provided to the homeroom teacher and the Main Office prior to 3:00pm the day of the change. We encourage parents to select a method of dismissal (i.e. Bus rider/Day Care/Walker/Car Rider) and commit to that method on a daily basis.

The left lane is purposed for use as a passing lane and **NO** students will be loaded into the car in the left lane.
- Early pick up 3:00-3:30 is not encouraged. End of day processes and transitions are occurring during this time. In an effort to support the safety of our students and efficiency of our end of day procedures, we encourage parents who have appointments scheduled for their child to pick up their child before 3:00 or at the appropriate dismissal time.

Campus Visitor Policy

Visitors/Volunteers

Volunteers make up an important part of our overall school program and are welcomed at our school. Volunteers are required to complete a Criminal Background Check **each school year** and sign in/out in the office each time they come to the school building. Any person that comes to visit, go on a field trip, or volunteer in a classroom must complete the Volunteer form a minimum of two weeks ahead of time. Please assist us in making sure that the names of anyone who contributes time or materials to our school are recorded in the Raptor computer in the office.

Please see the following requirements that must be followed in order to ensure a safe learning environment for all students and staff.

Visitation Requirements:

- Use the buzzer located outside to call the front office and gain entry into the building.
- All visitors must bring their government issued ID card. Examples of ID cards include:
 - US Driver license, ID Card

Lunch Period Visitation

PK4-5th grade parents, grandparents, and guardians are allowed to visit during your child's designated lunch period. PK4-5th grade parents are required to use Sign Up Genius shared by the respective grade level designee to reserve their spot on the visitor list. This campus procedure is followed due to limited Cafeteria seating. All other visitors will require prior approval by campus administration. Parents, grandparents, or other guardians who are visiting students during lunch will follow the campus visitation requirements to gain access inside of the building. Once inside the building, guests will walk to the cafeteria and sit in the designated parent lunch area. Please be mindful of the following requirements while visiting:

Lunchtime- Each class has 30 minutes for lunch.

- Food that has been brought in cannot be shared with other students.
- Seating is limited, so please limit visitors to no more than two- including yourself.
- Students will not be allowed to take food with them to their classroom. The meal must be consumed in the cafeteria during their lunch time.
- Please do not use this opportunity to visit with the classroom teachers as they are on duty monitoring the students.
- Please dress appropriately when coming to school to eat with your child -- no pjs, slippers, or revealing clothing.
- Restrict your conversation/visit to only your child.
- If your child needs to use the restroom, you must let an adult staff member on duty know.
- Parents must use the restroom in the Nurse's Office while on campus. Parents/Visitors are never permitted to use student restrooms.
- The visitation ends once the child leaves the cafeteria.
- Once lunch is over, visitors will return to the main office and the students will continue with their instructional day and return to class.
- Parents/Students may NOT use food delivery services to provide student's lunch.

Campus administrators have discretion to deny access to any visitor who poses a substantial risk to the safety of students or staff, or if the individual fails to follow the policy identified above.

- **Early Checkout-any time before 3:35**

The students are required to be in school from 8:10-3:35. The state requires that campus document any student entering late or leaving before the end of the day. The students are missing classroom instruction when they arrive late and leave early. When this occurs more than 4 times a year a conference, phone call, or letter will be sent home to indicate the problem.

Issues of habitual tardies or early leaves will be turned over to the truancy officer. The Front Office will not call for students to be released from classrooms between 3:00-3:35. Parents wanting to pick up their children (early) at the end of the day must do so before 3:00.

- **Doctor Visits**

A student is not counted absent if he/she arrives late to school from attending a doctor's appointment when a doctor's note is given. You are encouraged to bring the student back to school after any appointment.

- **Late Student Pickup-after 3:50**

Parents will have to park and come inside the building to sign the student out. We understand things happen to cause a parent to be late from time to time, but parents must call the school if they are late. The teachers begin their meetings/tutoring at 3:35 and it is critical that all students have left the campus by 3:50.
