Traditional

Principal: Marchelle Sterling

Mission: Our mission is to provide a positive, safe, supportive environment where students succeed in learning. Engaging lessons will enable our students to become lifelong problem solvers.

About Our School: Powell Elementary is located in the far southern sector of GPISD between I-20 and Joe Pool Lake. Our school mascot is the Palomino. School spirit is ever-present as students show their “Palomino Pride” by wearing their school t-shirt on designated “spirit days.” The voices of Powell students are heard daily as every child in the school is an active participant in the morning announcements.
