

Apple Teacher in GPISD

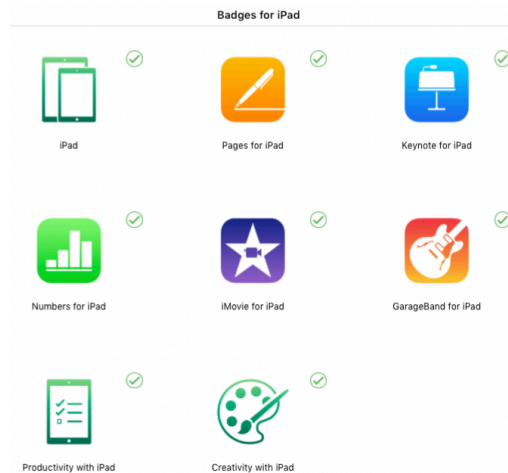

Our Board of Trustees approved our technology implementation plan in June 2017 that gave our students the necessary tools to be successful. We are working hard to implement this technology to enhance instructional delivery to our students, and improve learning outcomes. One of the expectations associated with this new technology is that all Administrators and Teachers will complete **Apple Teacher Badges for iPad**. There are 8 badges to be completed by the specified due dates.

You will need an Apple ID to sign up and to log in to work towards your badges.

- 8 badges/quizzes
- 5 questions each
- can miss 1 on each quiz
- can retake a quiz

Pass all 8 = Apple Teacher iPad
