About Our School: Fannin Middle School is a comprehensive GPISD neighborhood middle school that serves Northwest Grand Prairie students, grades 6-8. It is a dynamic and exciting place to learn with a strong focus on building not only the content knowledge but character of the students we serve. The Fannin approach is to make learning fun and engaging for the learner, build meaningful relationships with the students, parents, and community, and set students up for success in high school and life beyond our walls. We offer a diverse set of extracurricular and award-winning programs, such as Mariachi, Orchestra, Choir, Band, Art, Theatre, and Athletics which is known for our championship soccer teams!
