2021-2022***

Campus Principal: Dexter S Dixon

GPISD Board of Education Policy EHBD (Local) states:

Parental involvement means the participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring that:

1. Parents play an integral role in assisting their child's learning.
2. Parents are encouraged to be actively involved in their child's education at school.
3. Parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child.

YMLA at Kennedy Middle School holds an annual consultation to gather input on the parent involvement policy. Drafts are also posted online for review. The central Education Improvement Committee (EIC), whose membership includes parent representatives, reviews the policy.

Title I campuses review the concepts of a Schoolwide or Targeted Assistance program and parents provide input on the selected program for the year. A Parent School Compact is also reviewed as required by Sections 1118, 1118(b) and 1118(d). Contact your Campus Principal for information on how to participate.

U.S. Education Code Section 6318 requires:

- A. *Involve parents in the development of the plan under section 6312 of this title, and the process of school review and improvement under section 6316 of this title.*

Planning begins with the central Education Improvement Committee (EIC) and each Campus Improvement Committee (CIC). GPISD develops annually a District Improvement Plan (DIP). Each campus develops a Campus Improvement Plan (CIP). The DIP and all CIPs have a Parent Involvement section. Your Campus Principal can assist you with participating in the planning process.

Parent information and academic sessions are offered annually to build capacity for parent participation for improving student achievement and school performance. Required information regarding curriculum and student assessments is provided annually. Ask to be introduced to the Family Engagement Liaison at your child's school.

Parents have the right to request information regarding qualifications of their child's teacher(s) at any time. YMLA at Kennedy Middle School is required to notify parents if a teacher who is not highly qualified or properly certified is teaching their child for a period of four weeks or more.

YMLA at Kennedy Middle School provides supplemental parent involvement services to Title I campuses via Family and Community Engagement. The FACE is designed to involve the family in the educational process. Activities encourage parents to actively participate in creating and implementing educational programs. Parents are served in the home language as necessary to ensure that all parents are aware of their right to be involved and informed.

- E. *Coordinate and integrate parent involvement strategies with Title I, Special Education, Early Childhood Education and other preschool programs.*

A Parent School Compact is designed collaboratively and distributed for signature for all parents in Title I campuses. In addition, Title I campuses review the full program, Schoolwide or Targeted Assistance, with parents annually for input.

- F. *Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the schools served. Include identifying barriers to greater participation by parents and use the findings to design improvement strategies and to revise, if necessary, the Parental*

Involvement Policy. The evaluation should address parents who are economically disadvantaged, disabled, Limited English Proficient, limited literacy or of a racial or ethnic minority.

GPISD administers an annual Parent Involvement Survey.
