YWLA at Arnold School Mission Statement

Young Women's Leadership Academy provide a positive, safe, and secure environment that will empower students to learn while building self-esteem. Students will be afforded the opportunity to experience success and mutual respect which will prepare them to be life-long learners. The YWLA at Arnold community will cooperate to produce responsible individuals who are able to adapt to an ever-changing society

YWLA at Arnold School Administrators and Staff will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that supports children in meeting the State's student academic achievement standards.
- Provide parents with frequent reports on their children's academic and behavioral progress. In each classroom we will provide progress reports through Parent/Teacher conferences, samples of student work, updates on reading, writing and math assessments. We will initiate a parent contact at the first signs of a pattern of behavior that interferes with student learning.
- Set high expectations for staff, students and parents by ensuring challenging curriculum, implementing programs targeted at increasing student achievement and committing to recruit, retain, and train qualified staff. Also, highlight/prepare ways that the parent can advance the learning environment at home.
- Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as defined by grade level teams and district guidelines.
- Provide and promote parents with educational and support workshops, volunteer training and family activities.
- Provide parents reasonable access to the administrators and staff.
