

Spring 2023 STAAR Reporting Timelines

The spring 2023 State of Texas Assessments of Academic Readiness (STAAR®) has been redesigned to align closer to classroom instruction and the unique ways students learn. Reporting final test results for the redesigned STAAR will take a bit longer this year because educators from across the state will meet to provide their expert opinions on the passing scores for the redesigned assessments.

Cronología de los informes de resultados de la prueba STAAR para la primavera de 2023

Las pruebas de Evaluación de Preparación Académica del Estado de Texas (STAAR®, por sus siglas en inglés) para la primavera de 2023 han sido rediseñadas para alinearse mejor con la instrucción en el salón de clases y las formas individuales de aprendizaje de los estudiantes. Los resultados finales de la prueba STAAR tomarán un poco más tiempo este año escolar porque se necesita que educadores de todo el estado se reúnan para proporcionar sus opiniones expertas sobre cuales deben ser las calificaciones mínimas para cada nivel de desempeño de las evaluaciones rediseñadas.

In the upper right there is a button for District Links

Click District Links and a list will dropdown. If you have multiple students, they will each have their own separate link to the Texas Assessment Portal.

Click the link for the specific student and the Texas Assessment Portal will use the embedded credentials for you and your student and open their page with results.

The screenshot shows the Texas Assessment Portal Family Portal interface. At the top, there is a navigation bar with the Texas Assessment logo and 'Family Portal' text. Below this is a 'Welcome' banner for a student. The main content area displays 'Scores for 2021-2022 School Year' with a dropdown arrow. Below this, there are three sections for different assessments: STAAR Mathematics, STAAR RLA, and TELPAS. Each section shows 'Your Child's Most Recent Test' and 'Test Window' (Spring 2022 for STAAR, March 2022 for TELPAS). There are buttons for 'Download Detailed Report' and 'View all [Subject] tests' for each assessment.

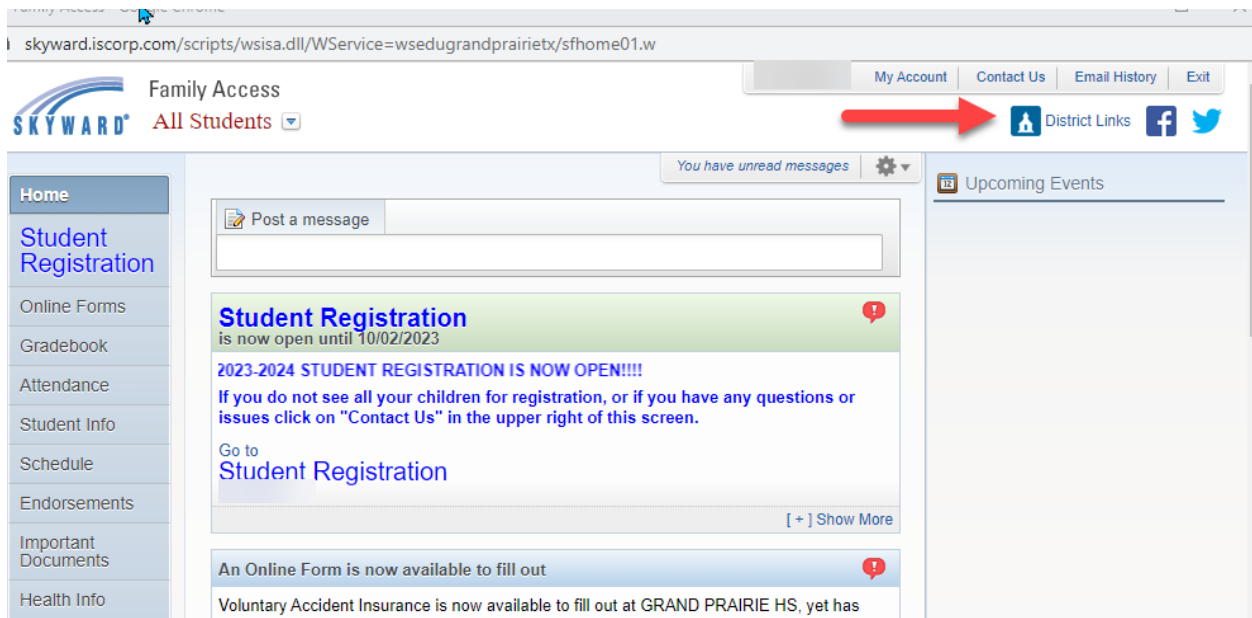

The page defaults to the most current school year that has assessments.

Use the drop down for School Year to view assessment results for prior years

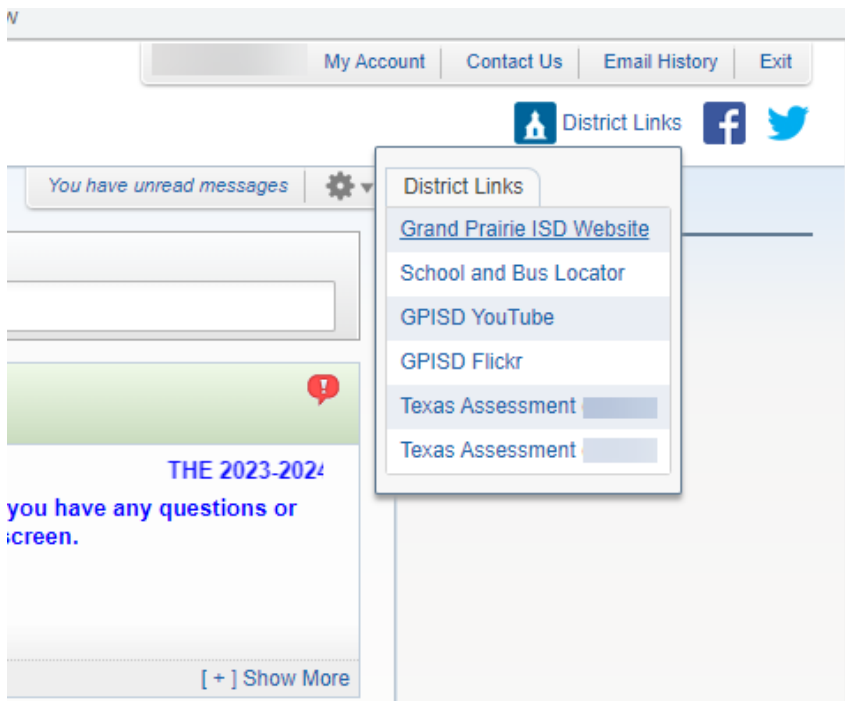

This screenshot shows the same Texas Assessment Portal Family Portal interface, but with the 'Scores for 2021-2022 School Year' dropdown menu open. A red arrow points to the dropdown arrow. The menu lists school years from 2021-2022 down to 2016-2017. The current selection is '2021-2022 School Year'. The background shows the same assessment results for STAAR Mathematics.

Below this is a 'Welcome' banner for a student. The main content area displays 'Scores for 2021-2022 School Year'. There are filters for 'Sorted by: Most Recent Test' and 'Subjects: All'. A 'Currently Viewing' message states 'The most recent test in all subjects for the 2021-2022 school year'. Three test categories are listed: STAAR Mathematics, STAAR RLA, and TELPAS. Each category shows 'Your Child's Most Recent Test' and 'Test Window' (Spring 2022 for STAAR, March 2022 for TELPAS). There are buttons for 'Download Detailed Report' and 'View all [Subject] tests' for each category.

La página está configurada para que aparezca el año escolar más reciente que tiene evaluaciones.
