Your Supplemental Medical (Gap) ID card

At the time of service, present your Supplemental Medical (Gap) ID card to your medical service provider. This indicates that you have Supplemental Medical (Gap) coverage.

Claims are paid to the insured. If you wish payment to go directly to a provider, please request an assignment of benefits from your provider at the time of service.

Please refer to your enrollment materials for benefit amounts. To verify benefits, or for claims eligibility or other claims related questions, call the phone number that appears on your identification card. To facilitate service, please have your Group ID number handy when you call (it appears on the front of the ID card).
