### Mission Statement

SGP Counseling Services will provide an all-inclusive counseling program that offers every student the opportunity to attain exceptional results in academia, support of their social and emotional development, and elevate them on a path towards college and career exploration.

### Community

South Grand Prairie High School is a suburban high school in a community of approximately 160,000 people which is located between Dallas and Fort Worth, Texas. There are twenty-four elementary schools, six middle schools, two 9-12 high schools, two 6-12 high schools, one 9-12 career high school, and two alternative education schools serving the Grand Prairie community.

### School

South Grand Prairie High School is a 6-A comprehensive high school that has a culturally and economically diverse population that represents the multicultural makeup of one of the largest metropolitan areas of the US.

South Grand Prairie High School prides itself on building a deliberate academic plan for all students; developing a campus culture that is committed to closing gaps; and counseling that provides instructional focus to meet student needs. This effort was designed to address preparation for post-secondary studies. The academic curriculum offers all courses required by the State of Texas for the mastery of standards for each grade level.

Enrollment for 2024 – 2025 is: 3,288 with 721 seniors, 772 juniors, 881 sophomores, and 914 freshmen.
