

South Grand Prairie High School

301 W. Warrior Trail
Grand Prairie, TX 75052
972-343-1500

Principal: Donna Grant

Mission: Our mission is to create a learning environment that promotes high academic achievement, capitalizes on student career interests and attitudes, prepares students for college, and encourages student involvement in order to produce responsible and successful citizens.

About Our School: South Grand Prairie High School is a 6-A comprehensive high school that has a culturally and economically diverse population that represents the multicultural makeup of one of the largest metropolitan areas of the US. South Grand Prairie High School prides itself on building a deliberate academic plan for all students; developing a campus culture that is committed to closing performance gaps; and counseling program that provides instructional focus to meet student needs. This effort was designed to address preparation for post-secondary studies. The academic curriculum offers all courses required by the State of Texas for the mastery of standards for each grade level. SGPHS offers the following activities and programs of study:
