CHILDREN’S HEALTH SYSTEM OF TEXAS

General Consent for School Health Telemedicine Services and Treatment and Acknowledgements

Consent for School Health Telemedicine Care and Treatment

**General Consent:** I request and consent for Children’s Health Pediatric Group (“CHPG”), an entity of Children’s Health System of Texas (“Children’s Health”), and its physicians and other health care providers to examine Patient, which may be defined as me, my child, or a child for whom I have a legal guardianship, and provide care and treatment through School Health Telemedicine Services, which may include evaluation, diagnosis, consultation on and treatment of Patient’s medical condition using advanced telecommunications technology (“Telemedicine Services”). I agree that by signing this form, I consent for Patient to receive Telemedicine Services in my absence. I understand that the practitioners providing Telemedicine Services at CHPG may include Patient’s treating physicians and consultants and such associates, technical assistants and other health care providers as deemed necessary (the “Telemedicine Providers”). I understand that CHPG is a teaching institution and agree that resident physicians, fellows, and students may observe and participate in the Telemedicine Services under appropriate supervision.

I understand that Telemedicine Services include interactive audio, video or other electronic media and that there are both risks and benefits to being treated via Telemedicine. I understand that Telemedicine Providers (i) may be in a location other than where Patient is located, (ii) will examine Patient face-to-face via a remote presence but will not perform a “hands-on” physical examination while using the Telemedicine Services, and (iii) must rely on information provided by Patient and any other health care providers on site. I further understand that Telemedicine Services may be limited or unavailable as a result of technology or equipment failures, incomplete or inaccurate data to perform the Telemedicine Services or distortions of images or other information from electronic transmissions. I acknowledge that the Telemedicine Providers cannot be held liable for advice, recommendations and/or decisions based on factors not within their control, such as incomplete or inaccurate data provided by Patient/others or distortions of diagnostic images/specimens that may result from electronic transmission. I further acknowledge that no guarantees or warranties have been made with respect to Telemedicine Services to be provided. I understand that all supplies, medical devices and other goods provided to Patient are provided by CHPG AS IS and Children’s Health and CHPG disclaim any expressed or implied warranties.

If the Telemedicine Providers determine that Telemedicine Services do not adequately address Patient’s medical needs, the Telemedicine Provider will refer Patient for on-site medical evaluation at a CHPG or other provider location. If after the Telemedicine Services, Patient experiences an urgent or emergent matter, such as a negative reaction to any treatment, or if the telemedicine session is interrupted due to technological or equipment failure, alternative means of communication and treatment may be needed and I will consult with Patient’s providers to obtain follow up care and assistance as needed.

I consent and authorize CHPG Telemedicine Providers to audio record, video record, and/or still photograph the Telemedicine Services. I understand that an audio or video recording may be included in these visual displays. I agree that these recordings will remain the property of CHPG Telemedicine Providers and may or may not become part of the medical record. I understand that these Telemedicine Services may be viewed by certain medical and non-medical persons for informational, research, and educational purposes. I understand that precautions are taken to protect the confidentiality of Patient’s medical information preventing unauthorized disclosure; however, I understand and acknowledge that the security of electronic transmission of data, video images, and audio information cannot be guaranteed and confidentiality compromised by illegal or improper tampering.

**Text Messaging:** I understand that CHPG can provide notifications to my cell phone. These texts are Do Not Reply texts for informational purposes only and are not intended as a form of two-way communication. I acknowledge that standard text messaging rates and fees will apply, text messaging utilizes a public telephone network and full security is not guaranteed, and any person with access to my phone will be able to see these messages unless I take steps to protect my phone with a password or PIN. I ☐ DO / ☐ DO NOT authorize CHPG to send text messages to the cell phone number I provide for that purpose.

**Duration of Consent:** I understand and agree this Consent for Telemedicine Services and Treatment is valid for the 2016-2017 school year unless I revoke the consent prior to that time by providing written notice to CHPG at 2777 North Stemmons Fwy. Floor 4, Dallas, Texas 75207.
