November Guidance Lessons

**BE KIND WITH WORDS & ACTIONS**

**PARENT TIPS:** *Expect Great*

*Things-* Set high expectations for your child; give him/her goals to aim for.

**Mission Statement-** to empower our students to become life-long learners to reach their full potential through rigorous and intentional instruction in a nurturing environment. We strive to shape future leaders who will succeed in a diverse society.

**Vision Statement:**

The students of Whitt Fine Arts Academy will have the skills they need to be successful not only in school but in life. All students will participate in programs that will enhance their skills of being kind and productive citizens.

**SOCIAL, EMOTIONAL, LEARNING) PROGRAM**

Dear Family,

We are starting a unit on Peer Relations from our Sanford Harmony social-emotional learning program. Throughout this unit, students will focus on attitudes and behaviors that are critical for maintaining positive and supportive relationships.

Caring for Others is vital to positive peer relationships. In this unit, students will practice acts of kindness and share expressions of gratitude. Feeling valued responded to and cared for helps children develop a caring attitude and empathy for others.

When children feel connected to others, they develop a sense of social responsibility.

Community Service Project- December 7<sup>th</sup>- 18<sup>th</sup>

Parent Workshop-December 7<sup>th</sup> @ 6:00 p.m.

Topic- "Motivation our Student During Covid-19"

**"Say Hello to XELLO"**

Our school is pleased to provide again this year the Career Development Digital Game for our students. Xello is an age-appropriate digital learning program that helps your child explore early career development building blocks. This program will help your child acquire goal setting, planning skills, and improved study habits leading to better grades and greater engagement with their education.

Login Instructions

Get started on the journey to becoming future-ready by logging in to Xello.
