Welcome to Grand Prairie Independent School District

Dear friends and family of GPISD,

The purpose of this guide is to provide current and prospective GPISD students and their families with a comprehensive, one-stop source of information about the schools and programs offered throughout the district. GPISD has a wide range of opportunities to connect students to the right school for them. From traditional neighborhood schools with programs of choice, schools of choice, and career academies, you will find that GPISD offers something for every student.

We encourage you to visit our schools, take advantage of the various parent information sessions and, most of all, attend the GPISD Experience. There you will be able to meet with school staff and ask all of your questions, to determine the right school for your child. We know that when parents, students and schools are engaged in programming that meets each child’s unique needs, everyone wins.

Our job is to work together collaboratively and ensure that we are creating opportunities for students to reach their full potential.

Grand Prairie ISD is a destination school district, offering a true school choice model. We look forward to connecting with you and seeing what we can do together.

Dr. Susan Simpson Hull
GPISD Superintendent of Schools

What is Kaleidoscope?

Students enrolled in GPISD embrace the unique freedom to select an educational path tailored to suit the interests of the individual child, yet want to pursue more concentrated areas of study based on their own college and career interests. Programs of Choice are designed for students seeking a non-traditional educational experience. As a TEA-designated District of Innovation, GPISD is afforded more local control over district operations in order to support innovation and local initiatives to improve educational outcomes for the benefit of students in the community.

What are Schools of Choice?

Schools of Choice are stand-alone schools that provide unique learning opportunities for students seeking a non-traditional educational experience. As a TEA-designated District of Innovation, GPISD is afforded more local control over district operations in order to support innovation and local initiatives to improve educational outcomes for the benefit of students in the community.

What are Programs of Choice?

Programs of Choice give students the opportunity to put their future college and career plans on the fast track. The focused coursework of each program is geared to help students secure licenses, certifications and earn college credit before graduating from high school. In many instances, students may be able to secure careers immediately upon graduation. Programs of Choice are designed for students who desire the setting of a traditional school atmosphere yet want to pursue more concentrated areas of study based on their own college and career interests.

Programs of Choice include:
- Real-world applications
- Internships and job shadowing
- College credit hours through dual credit
- Industry licenses and certifications
- Core instruction in math, science, English language arts, and social studies
- Advanced Placement coursework

Academic Eligibility Requirements

All In-District applicants must meet the following requirements to be considered eligible:
- 95% attendance rate for the current year
- Acceptable discipline record for the current year

All Out-of-District applicants must meet the following requirements to be considered eligible:
- Pass with an average of 80%
- 95% attendance rate for the current year
- Passed all areas of the state assessments (STAAR or EOC) in the last administration
- Acceptable discipline record for the current year

Required Documentation for students not currently enrolled in Grand Prairie ISD.

To determine academic eligibility, all documents listed below are required for students not currently enrolled in Grand Prairie ISD. In the online application you will have the opportunity to upload the required documents prior to submitting the application. You may submit the online application without uploading the required documents, but must provide Grand Prairie ISD with the required documentation prior to the annual posted deadline to be considered academically eligible. Grand Prairie ISD’s Education Center provides support to those needing assistance in uploading the required documents to their online application. All documentation must be uploaded individually.

- Academic Transcript/Academic History
- State Assessment Records
- Attendance Records (Current Year)
- Discipline Records (Current Year)

Current students enrolled in Grand Prairie ISD only need their student ID to apply. The student ID can be found by logging into Skyward’s Family Access then selecting the Student Information link. The student ID is the “Other ID” number in the General Information area. No other documentation is required to apply.

What Are the Steps to Apply?

Families are encouraged to:
1. Identify your child’s interests: What makes your child unique? What motivates your child?
2. Explore schools: Attend the annual GPISD Experience (held each November), school open houses, and community events.
3. Make informed choices: Consider matters such as school themes, hours, distance from home, after-school programs, sports, etc.
4. Complete the online School Choice Application by the deadline (date posted in the fall). Please note some schools have unique timelines. Review timelines, requirements and apply at: www.gpisd.org/APPLY

It’s all about CHOICE in GPISD!

Grand Prairie ISD educates more than 29,000 students each year. As an open-enrollment district, GPISD invites students from across the Metroplex to attend any school for free. With nearly half of all GPISD schools being Schools of CHOICE and the majority of the award-winning traditional schools offering a multitude of unique choice programs, the educational opportunities are boundless for students. With the unique freedom to select an educational path tailored to suit the interest of the individual child, students are more engaged and accomplished at a much younger age.

The leaders of tomorrow are the children of today. Grand Prairie ISD offers instructional settings that allow our students the opportunity to develop and practice quality leadership skills such as respect, responsibility for themselves and others, teamwork, collaboration, and a solution-centered approach to problems. Leadership academies focus on nurturing our young leaders to ensure they are knowledgeable about, and have the skills to realize, the contributions they can make to the global community.

GPISD inspires the next generation of STEM (Science, Technology, Engineering and Math) leaders by developing a passion for STEM careers at a young age and maintaining interest throughout middle and high school. We provide students with an experiential education that excites, engages, and enriches through unique, hands-on, real-world learning. Critical thinking, collaboration, communication, creativity, innovation, and citizenship are skills we cultivate.

Grand Prairie ISD is excited to offer students the unique opportunity to get a head start in college while still in high school through Advanced Placement, Dual Credit and Early College High School.

Select Choice elementary, middle, and high schools give GPISD students an aligned Collegiate pathway from kindergarten through graduation.

Fine arts

Grand Prairie ISD embraces this concept by allowing for a vast array of visual and performing arts opportunities incorporated into the curriculum at all GPISD schools. These areas include Elementary Art and Music, Band, Choir, Ballet Folklorico, Dance, Mariachi, Orchestra, Theatre Arts, and Visual Arts.

For students who wish to immerse themselves into a Fine Arts based education, GPISD Schools of Choice make it possible for those students to focus on the arts from Pre-K through graduation by enrolling into one of its nationally recognized Fine Arts Academies.

science • technology • engineering • math

Traditional schools offer a well-rounded educational experience with a wide array of academic and extracurricular options under one roof. Many of our traditional campuses also encompass programs and extracurricular options available at other schools, offering a unique, hands-on, experiential educational experience.

Over twenty languages (including English, Spanish, Vietnamese and French) are mastered in either direct classroom instruction or via online programs at GPISD’s Travis World Language Academy, serving grades Pre-K – 12. Additionally, the World Language Academy offers dual language learning via the Gomez & Gomez model, STEM education and fine arts classes (music, art, band).

* Offering Programs of Choice
CROCKETT EARLY EDUCATION SCHOOL

Through our unique population of young learners, Crockett Early Education School has the opportunity to focus solely on the developmental milestones of Pre-K aged students through an all-day tuition or tuition-free option.

How to know Crockett Early Education School is right for your child:
1. You want your child to begin their academic career in a dual language program that promotes a bilingual, biliterate, and bi-cultural scholar.
2. You want your child to flourish academically through an individualized hands-on learning experience using a structured curriculum that meets state-required standards for early education in a positive, caring environment with highly qualified educators.
3. You want your child to cultivate emotional awareness, control, and resilience through mindfulness coaching and strategies.

Unique ways your child can learn and grow here:
• Build knowledge through hands-on and visual instruction
• Utilize technology as an instructional tool and a learning medium
• Participate in STEAM activities
• Build skills in self-regulation and other social-emotional domains through weekly lessons that teach specific skills

BOWIE FINE ARTS ACADEMY

Bowie began as a traditional elementary school in 1951 and reopened as a fine arts academy in a brand new state-of-the-art facility in the fall of 2018. BFAA offers an engaging and rigorous fine arts experience with an underlying primary purpose of helping students grow academically, socially and artistically.

How to know Bowie Fine Arts Academy is right for your child:
1. Your child enjoys showcasing his/her talent.
2. Your child has expressed an interest in the fine arts and wants to attend a school that was intentionally built to encourage and promote the arts.
3. You want your child to be part of a unique learning community that focuses on individual student academic growth.

Unique ways your child can learn and grow here:
• Fine Arts-driven program
• One-way Dual Language program
• After-school clubs that concentrate on fine arts including Dance, Theater Arts, Digital/Visual Arts, and Vocal Music
• Technology-rich classrooms

AUSTIN ENVIRONMENTAL SCIENCE ACADEMY

Austin Environmental Science Academy provides students with opportunities to collaborate, increase creativity, build leadership skills, use problem solving/critical thinking skills, and awaken global environmental awareness. The school’s outdoor features include a one-of-a-kind learning center and traditional garden beds. The indoor features include interactive wall displays, environmental science classrooms, and hydroponic growing walls. Additionally, Austin Environmental Science Academy offers a large variety of after-school clubs and organizations, state-of-the-art technology, and full-time environmental science staff members.

How to know Austin Environmental Science Academy is right for your child:
1. Your child enjoys investigating the natural world and being outside.
2. Your child is interested in trying new things.
3. Your child enjoys learning and working with community partners, exploring our surroundings, and impacting our neighborhoods.

Unique ways your child can learn and grow here:
• Outdoor and indoor environmental education
• Experiential learning
• Unique partnerships
GLOBAL LEADERSHIP ACADEMY

at Barbara Bush Elementary

KINDERGARTEN – 5

CHOICE

511 E Springdale Lane | Grand Prairie, TX 75052
(972) 237-1628 | www.gpisd.org/bush

The Global Leadership Academy at Barbara Bush Elementary provides students with full technology integration and project-based learning experiences so students can become agents of change in the community. Students develop global leadership skills through participation in weekly leadership academies and service projects. Students assume active roles in solving local and global issues through diverse and collaborative student educational experiences.

How to know The Global Leadership Academy at Barbara Bush is right for your child:
1. Your child wants to be a leader to impact the world locally and globally.
2. Your child wants to integrate technology skills in all learning experiences.
3. Your child wants to collaborate with other stakeholders to solve real-world problems.

Unique ways your child can learn and grow here:
• Hands-on project-based learning
• Student-led local and global advocacy
• Technology integration to find solutions

Daniels’ science and math programs are geared to prepare students for college success with promising futures in careers that are largely centered around the subjects of science and math. With an active science lab, innovative math instruction, interactive community partnerships, and the incorporation of technology, Daniels is growing future scientists and mathematicians.

How to know Daniels Academy of Science & Math is right for your child:
1. Your child has an interest in science and math.
2. You want your child to be well prepared for college and career pathways.
3. You want to instill leadership characteristics in your child, preparing them for 21st Century professions.

Unique ways your child can learn and grow here:
• STEM-focused curriculum
• Outdoor learning classroom
• Inquiry-driven learning

Suzanna Dickinson Montessori Academy has been a traditional neighborhood school that focuses on the social and emotional health of all students in addition to academic growth and success. This year we are adding Primary Montessori classrooms at the 3-year, 4-year Pre-K, and kindergarten levels, adding a grade level each coming year.

How to know Dickinson Montessori Academy is right for your child:
3yr, 4yr, Kinder Montessori
1. Multi-age classrooms with learning based on the natural development of a child.
2. Children learn at their own pace by choosing their own path with materials and experiences.
3. Montessori educates the whole personality and needs of a child.

Grades 1-5
1. Learning in a family-oriented, community-based environment with a caring staff that practices the Capturing Kids’ Hearts procedures and mindset.
2. Your child thrives on structure with a nurturing approach.
3. Your child is interested in the use of technology to learn.

Unique ways your child can learn and grow here:
• School-wide mindfulness techniques practiced throughout the day
• Dual-language classes to create biliterate, bilingual, and bicultural students in all grade levels
• Outdoor learning area
Dwight D. Eisenhower Elementary School gives parents and students the choice of a traditional education. With a focus on engaging, relevant learning, Eisenhower provides students access to a quality education with a traditional approach, while seeking to develop responsible citizens interested in promoting kindness to others.

How to know Eisenhower Elementary is right for your child:
1. You are interested in giving your child the choice of a traditional educational experience focused on the development of the whole child.
2. You are excited about your child having the opportunity to participate in programs designed to focus on kindness, compassion, and service to others.
3. You desire for your child to have the opportunity to participate in a wide range of activities: Show Choir, service-oriented Kindness Crew, STEM Club, environmentally aware Green and Clean Recycling Club, and more.

Unique ways your child can learn and grow here:
- Dual-language program develops bilingual, biliterate, and bicultural students
- Structure of Intellect Bridges brain-based intervention program helps develop students’ sensory integration and focus
- Recently remodeled outdoor learning space features a garden area, teaching materials, and learning environment

Florence Hill Elementary is a proud, traditional neighborhood school. We provide a nurturing, well-rounded education for our students. Educators are personally invested in each student’s academic achievement as well as their social and emotional well-being.

How to know Florence Hill Elementary is right for your child:
1. Your child learns best in a positive, nurturing environment that focuses on reading and math in a safe climate that promotes diversity and acceptance.
2. Your child loves learning and is focused on high achievement.
3. Your child’s school offers monthly activities for parents to learn about how to help their child and ways to participate in their education.

Unique ways your child can learn and grow here:
- Outdoor classroom
- Hands-on, interactive lessons
- Focus on growth mindset and social emotional learning

Garcia is a dual-language campus that fosters the acquisition and usage of a second language. Students use technology daily to inquire and communicate their new learning in a setting that will develop the whole child: mentally, socio-emotionally and physically.

How to know Garcia Elementary is right for your child:
1. Your child continually seeks new ways to expand their critical thinking and knowledge.
2. Your child develops and monitors his/her goals to achieve high academic expectations.
3. Your child actively participates in a school culture of leadership and citizenship.

Unique ways your child can learn and grow here:
- A positive attitude towards one another
- Embracing challenges
- Pride in their academics

Garner Fine Arts Academy is a GPISD public school of choice for Pre-K – 5th grade that provides students with a rigorous academic environment and encourages artistic exploration and integration. Students will have the opportunity to experience four strands of performance and visual arts: Theatre, Art, Music and Dance.

How to know Garner Fine Arts Academy is right for your child:
1. Your child is creative, self-motivated, and self-disciplined.
2. Your child values learning in an arts-infused environment with self-control, discipline, focus and tolerance; all needed for artists to excel.
3. Your child has a commitment to learning and a desire to expand their knowledge artistically and academically.

Unique ways your child can learn and grow here:
- Rigorous academics
- Artistic expression and performance
- Showcases of student work
Lee Elementary is a traditional campus filled with dedicated and talented staff committed to serving our students by embracing nurturing relationships, inspiring creativity as well as new ideas, making real-life connections, and challenging our students daily. As a K-5 campus, we also strive to support the growth of the whole child in building the social, emotional and academic skills to prepare them for college, career and community.

How to know Lee Elementary School is right for your child:
1. Your child will be in an environment that promotes rigorous learning.
2. Your child likes to use technology to support their learning.
3. Your child loves learning through interactive, hands-on activities.

Unique ways your child can learn and grow here:
- Rigorous academics
- Hands-on, inquiry-driven learning
- iPads in every classroom

Ellen Ochoa STEM Academy seeks to broaden opportunities for students’ early interests in science, technology, engineering, and mathematics through project-based learning, expanded use of technology, and experiential learning. Outdoor learning, corporate partnerships, and field trips offer enhanced opportunities for interaction with engineers and scientists, providing students real-world insight and hands-on experience with leaders in these specialized fields.

How to know Ochoa STEM Academy at Ben Milam Elementary is right for your child:
1. Your child is excited about science, technology, engineering, and math.
2. Your child is always curious about the world and how things work.
3. Your child thrives in an environment where students collaborate to solve real-world problems and use updated technology across all grade levels.

Unique ways your child can learn and grow here:
- Weekly exposure to music, art and physical education classes that generate a well-rounded learner
- Extensive interactive technology to prepare students for their digital future
- Visual literacy implementation to deepen comprehension skills
- Experiential learning through hands-on experiments, field trips, and outdoor activities
POWELL ELEMENTARY

KINDERGARTEN – 5
TRADITIONAL
5009 S Carrier Pkwy | Grand Prairie, TX 75052
(972) 522-6900 | www.gpisd.org/powell

Colin Powell Elementary is a high performing, traditional school in Grand Prairie ISD. Our faculty, families, and community work together seamlessly to create meaningful and fun learning opportunities for our students.

How to know Powell Elementary is right for your child:
1. Your child wants to be a part of a tight-knit family with tremendous support.
2. Your child likes to be academically challenged at high levels through hands-on learning.
3. Your child loves to work with classmates from diverse backgrounds and experiences.

Unique ways your child can learn and grow here:
• We understand that all students learn in different ways.
• Your child will thrive in an environment where teachers promote academic and social growth for all students.
• Non-traditional opportunities such as: 21st Century Learning Labs, 5th Grade Ballroom Dancing, 5th Grade 4-Day Science Camp, Choir Club, Drum Club, Keyboard Lab, Grade Level Clubs, and much more!

RAYBURN ELEMENTARY STEAM ACADEMY

KINDERGARTEN – 5
CHOICE
2800 Reforma Drive | Grand Prairie, TX 75052
(972) 642-8900 | www.gpisd.org/rayburn

Rayburn Elementary STEAM Academy fosters each student’s innate curiosity and joy of discovery through science, technology, engineering, arts, and math. Students are prepared to be academically successful, socially aware, scientifically literate, and respectful, responsible citizens in the global community. Student-centered, collaborative and creative problem-based learning combined with active parental and community involvement is the key to success at Rayburn.

How to know Rayburn Elementary STEAM Academy is right for your child:
1. Your child enjoys learning using a blend of fine arts, science, technology, hands-on experiences, and problem-solving.
2. Your child is interested in fine arts or STEM career fields.
3. Your child enjoys projects, making videos, performing in musicals, creating, and exploring.

Unique ways your child can learn and grow here:
• Integrated STEAM (Science, Technology, Engineering, Arts, and Math) in every lesson
• STEAM clubs (Aviation, Drones, Robotics, Coding, Garden, Theater, Choir, Visual Arts, Basketball, Soccer, Golf, Astronomy, Ballet Folklorico, and more)
• Blended learning model integrating technology with hands-on, project-based learning at the student’s individualized learning level.
• Six full musical productions each year, STEAM field trips, and extensive laboratory experiences

WHITT FINE ARTS ACADEMY

KINDERGARTEN – 5
CHOICE
3320 S Edelweis | Grand Prairie, TX 75052
(972) 264-5024 | www.gpisd.org/whitt

The mission of the Whitt Fine Arts Academy is to expose Kinder-5th grade students to the Media Arts strand in a safe, nurturing and engaging learning environment by channeling their unique skills and talents through an integrated academic and arts program. We would be honored to be given the opportunity to prepare your student for lifelong success at the campus where “dreams come true...one student at a time.”

How to know Whitt Fine Arts Academy is right for your child:
1. Your child would benefit from a personalized learning experience focused on literacy and math development.
2. Your child enjoys a variety of different enrichment courses including: Music, Art, Theatre, and Media Arts.
3. Your child has a commitment to learning and a desire to expand his/her knowledge artistically and academically.

Unique ways your child can learn and grow here:
• Recognition that every student is unique in his or her strengths and challenges
• The use of student portfolios allowing students to set individual goals and track their progress
• Opportunities to explore various fine arts interests and participate in clubs/activities, preparing them for 6th-12th grade fine arts campuses

SEGUIN ELEMENTARY

KINDERGARTEN – 5
TRADITIONAL
1450 SE 4th Street | Grand Prairie, TX 75051
(972) 522-7100 | www.gpisd.org/seguin

Elementary school marks a life-changing experience for children. At Seguin, each child will walk into an environment that excites growing minds; a campus that will positively shape a child’s impression of learning and education. Our school thrives on embracing differences while fostering personal growth.

How to know Seguin Elementary is right for your child:
1. Your child learns best in a positive environment that is focused on developing skills to help him/her be academically, emotionally, physically, and mentally strong.
2. Your child is interested in using technology and hands-on learning.
3. Your child would like to experience learning in an environment that embraces diversity and promotes creative thinking.

Unique ways your child can learn and grow here:
• Student activities designed to foster social skills which are vertically aligned
• Dual-language classes that provide an opportunity to build bilingual and biliterate skills
• Clear communication regarding academics, allowing students to set goals and track progress
HOBBS WILLIAMS ELEMENTARY

**KINDERGARTEN – 5 TRADITIONAL**

1635 SE 14th Street | Grand Prairie, TX 75051
(972) 522-2700 | www.gpisd.org/williams

Hobbs Williams Elementary School is committed to building lifelong learners by developing relationships, motivating and inspiring students, and promoting academic excellence.

**How to know Hobbs Williams Elementary is right for your child:**
1. You want your child to participate in our Dual Language Program to become bilingual, biliterate and bicultural by the end of fifth grade.
2. You want your child to flourish academically and socially in an environment created to meet the needs of every student.
3. You want your child’s school to feel like a family. Campus PACKs build camaraderie allowing students of all ages to work together toward common goals.

**Unique ways your child can learn and grow here:**
- Kagan Cooperative Learning Structures
- Student goal-setting and performance-tracking
- Outdoor learning area

MOORE COLLEGE & CAREER PREPARATORY

**PRE-K – 8 CHOICE**

3150 Waterwood Drive | Grand Prairie, TX 75052
(972) 660-2261 | www.gpisd.org/moore

Moore College & Career Preparatory provides students the opportunity to engage, explore and experience colleges and careers through a rigorous, hands-on learning approach that is driven by the expectation that all of our students are college and career bound.

**How to know Sallye Moore College & Career Preparatory is right for your child:**
1. Your child loves learning through collaboration and exploration in diverse, varied, and academically rigorous settings.
2. Your child is interested in developing technology skills needed for the next generation of leaders.
3. You want your child to excel. Moore Preparatory students have the option to attend Dubiski Career High School, a premier high school in the state.

**Unique ways your child can learn and grow here:**
- Early exposure to college programs and visits to a college campus in each grade level
- Opportunities to earn high school credit and technology certifications beginning in grade 6
- Career exploration through community partnerships

UPLIFT LEE PREPARATORY

**KINDERGARTEN – 6 CHOICE**

( Charter-District Partnership )

401 E Grand Prairie Rd | Grand Prairie, TX 75051
(972) 262-6785 | www.uplifteducation.org/upliftlee

Uplift Lee Preparatory is a partnership school between Grand Prairie ISD and Uplift Education. Scholars in this unique learning environment are prepared to be academically successful, socially aware, respectful, and responsible citizens in the global community. Uplift Lee Prep is currently expanding to include middle school grade levels, adding a grade level each year through grade 12, beginning with grade 6 for the 2019-2020 school year. Uplift Lee Prep is International Baccalaureate Middle Years Programme (MYP) certified.

**How to know Uplift Lee Preparatory is right for your child:**
1. Your child craves an environment where they are encouraged to achieve to their maximum potential, both academically and socially-emotionally.
2. Your child likes to dive deep into ideas and explore them through hands-on, project-based learning.
3. Your child will thrive in a safe environment that promotes diversity and acceptance.
4. Your child enjoys being involved in community and global projects.

**Unique ways your child can learn and grow here:**
- Inquiry, concept and project-based learning
- Development of communication, collaboration, and critical thinking skills
- Rigorous coursework

SCHOOL FOR THE HIGHLY GIFTED

**GRADES 1 – 8 CHOICE**

( In-District CHARTER )

2990 S Highway 161 | Grand Prairie, TX 75052
(972) 343-7864 | www.gpisd.org/SHG

The Grand Prairie School for the Highly Gifted caters to the unique needs of highly gifted students by providing each student with an individualized instructional plan designed to appropriately challenge them academically while nurturing their passion for learning and their responsibility to bring positive change to the world.

**How to know Grand Prairie School for the Highly Gifted is right for your child:**
1. Your child craves an environment where they are encouraged to achieve to their maximum potential, both academically and social-emotionally.
2. Your child needs services specific to highly-gifted students (based on cognitive scores in the top two percent of the population) in order to grow and thrive.
3. Your child would benefit from highly qualified instruction and teachers specifically trained to understand and work with highly gifted learners.

**Unique ways your child can learn and grow here:**
- Unique, 21st century learning environment
- Self-regulation and independent learning paths available for each student
- Flexible scheduling allowing for passion projects, enrichment clusters, and competitive teams within the school day
- Multi-age learning experiences for all grades
- Student-centered Genius Hour and Enrichment Clusters
- Individualized learning plans
- Entrepreneurship program for middle school
TRAVIS WORLD LANGUAGE ACADEMY
525 NE 15th Street | Grand Prairie, TX 75050
(972) 262-2990 | www.gpisd.org/travis

Your student will enjoy discovering languages, world cultures, and STEAM at Travis World Language Academy. Language instruction includes: face-to-face Vietnamese, Spanish, and French instruction; computer-based language learning; dual language classrooms; and bilingual education in a safe, welcoming, and high achieving environment.

How to know Travis World Language Academy is right for your child:
1. Your child has an interest in learning about different cultures and acquiring a new language.
2. Your child enjoys being involved in community and global projects.

Unique ways your child can learn and grow here:
• Unique partnerships with sister schools around the world
• One-to-one technology from kindergarten to 8th grade
• Dual-language Spanish and English program in our elementary and middle school classes
• Vietnamese for Pre-K through 5th grade
• Spanish and French language options for middle school students
• STEM courses and competitions for your aspiring engineer

FANNIN MIDDLE SCHOOL
301 NE 28th Street | Grand Prairie, TX 75050
(972) 262-8668 | www.gpisd.org/fannin

James Fannin Middle School offers students a quality education centered around your child. At Fannin, our mission is to "Love. Serve. Value." everyone we interact with.

How to know Fannin Middle School is right for your child:
1. Your child will thrive in a safe environment that promotes diversity and acceptance.
2. Your child will be in a family environment that promotes rigorous learning.
3. We have dedicated and caring professionals who go above and beyond to help students and families.

Unique ways your child can learn and grow here:
• We embrace all students.
• We understand we all learn in different ways.
• Individualized student growth goals are set.

DIGITAL ARTS & TECHNOLOGY ACADEMY
833 W Tarrant Parkway | Grand Prairie, TX 75050
(972) 262-1934 | www.gpisd.org/adams

The Digital Arts & Technology Academy at John Adams Middle School will offer students four different pathways—Film and Video Production, Animation and Motion Graphics, Interactive Media and Game Development, and Web-based Application Development. We are the first and only middle school in North Texas to offer this amazing experience.

How to know Digital Arts & Technology Academy at Adams is right for your child:
1. Your child loves to create, explore, and discover the world of digital arts and media.
2. Your child loves to create and design websites, storyboarding, sound engineering, CrazyTalk animation and much more.
3. Your child likes to dive deep into ideas and explore them through hands-on, project-based learning.

Unique ways your child can learn and grow here:
• Digital Learning
• Coding and Programming
• Stop Motion and Animation

JACKSON MIDDLE SCHOOL
3504 Corn Valley | Grand Prairie, TX 75052
(972) 264-2704 | www.gpisd.org/jackson

Jackson Middle School leads the way in academics, athletics, and fine arts with robust school spirit and traditions. The academic curriculum offers all courses required by the State of Texas for the mastery of standards for each grade level.

How to know Jackson Middle School is right for your child:
1. Your child wants to experience high levels in academics, athletics, and fine arts while developing critical thinking and process skills to prepare them for post-secondary readiness.
2. Your child wants to allow their interests to guide them through their academic choices.
3. Your child wants to be involved in clubs, extracurricular activities, and UIL events.

Unique ways your child can learn and grow here:
• Environmental Science, Environmental Systems, Principles of Agriculture
• Algebra 1, Geometry, English 1
• Spanish 1, 2, Leadworthy, Band, Orchestra, Choir, Mariachi, Dance, Theater Arts, AVID
REAGAN MIDDLE SCHOOL

**GRADES 6 – 8 TRADITIONAL**

4616 E Bardin Road | Grand Prairie, TX 75052
(972) 522-7300 | [www.gpisd.org/reagan](http://www.gpisd.org/reagan)

Reagan Middle School is a culturally diverse, traditional learning community with a rich heritage of celebrating deeply rooted school traditions. Our “7 Pillars of Knighthood” (Critical Thinking, Resourcefulness, Risk-Taking, Growth Mind-Set, Collaboration, Resilience, and Learn from Feedback) are forefront to our campus culture and prepare young scholars to meet the changing demands of the 21st Century.

**How to know Reagan Middle School is right for your child:**
1. Your child is self-motivated, self-disciplined, and creative.
2. Your child desires to earn high school credits while in middle school.
3. Your child enjoys and engages in problem solving and utilizing the design process to learn.

**Unique ways your child can learn and grow here:**
- Rigorous coursework
- Student leadership opportunities (Student Council, National Junior Honor Society, National Junior Art Society, Business Professionals of America, Art Club, Kindness Club, Yearbook Club)
- Technology-rich campus (all students provided an iPad to support academic achievement)

TRUMAN MIDDLE SCHOOL

**GRADES 6 – 8 TRADITIONAL**

1501 Coffeyville Trail | Grand Prairie, TX 75052
(972) 641-7676 | [www.gpisd.org/truman](http://www.gpisd.org/truman)

Truman Middle School is a place that focuses on inspiring students to become innovative leaders in an increasingly global community.

**How to know Truman Middle School is right for your child:**
1. Your child would benefit from a traditional learning experience focused on literacy, math, and social development.
2. Your child enjoys exploring different enrichment programs including: Junior Cadet Corp, dance, band, orchestra, choir, theater arts, and visual art.
3. Your child will thrive in a safe environment that promotes diversity and acceptance.

**Unique ways your child can learn and grow here:**
- Daily classes in fine arts and athletics
- High school courses available for credit in 8th grade
- iPads for each student to enhance the learning experience

GRAND PRAIRIE COLLEGIATE INSTITUTE

**GRADES 6 – 12 CHOICE**

1502 College Street | Grand Prairie, TX 75050
(972) 343.3120 | [www.gpisd.org/GrandPrairieCI](http://www.gpisd.org/GrandPrairieCI)

Grand Prairie Collegiate Institute is a premiere school of choice that focuses on accelerated instruction with pre-advanced placement, advanced placement, and dual credit courses to prepare students for post-secondary education. We are a designated Texas-Science, Technology, Engineering, and Mathematics campus that promotes engineering, aerospace, and Advancement Via Individual Determination (AVID) curriculum.

**How to know Grand Prairie Collegiate Institute is right for your child:**
1. Your child enjoys science, technology, engineering, and mathematics.
2. Your child thrives in small educational settings in a flipped learning environment.
3. Your child enjoys and engages in problem solving and utilizing the design process to learn.

**Unique ways your child can learn and grow here:**
- Project-based learning with an emphasis on science, technology, engineering, and mathematics
- Advanced placement and dual-credit instruction that simulates the collegiate experience
- Unique internships that provide hands-on opportunities in STEM fields

YOUNG MEN’S LEADERSHIP ACADEMY

**at Kennedy Middle School**

**GRADES 6 – 8 CHOICE**

2205 SE 4th Street | Grand Prairie, TX 75051
(972) 264-8651 | [www.gpisd.org/kennedy](http://www.gpisd.org/kennedy)

Young Men’s Leadership Academy is a unique all-boys academy that provides a highly structured learning environment in order to build character, hard work, fortitude and leadership. Mastering these core values will help your son be a successful, competitive student that can reach and surpass his goals.

**How to know Young Men’s Leadership Academy is right for your child:**
1. You want your son to be a part of a program geared towards growing future leaders and men of character.
2. You want your son to experience all the benefits of a traditional middle school, but with an emphasis on leadership and character building.
3. You believe your son would thrive in an environment that positively employs competition and removes distractions allowing them to focus on academic and personal success.

**Unique ways your child can learn and grow here:**
- All boys take part in Mindset Monday, a unique lesson that builds the four core values: character, hard work, fortitude, and leadership.
- YMCA offers Junior Cadet Corp, built-in Academic Advisory AVID, fine arts, and Chi Schedule for restorative discipline.
- Students are placed in positions of leadership on and off campus allowing them opportunities to drive programming on campus and serve our community.

MIDDLE-HIGH SCHOOLS

**GRAND PRAIRIE FINE ARTS ACADEMY**

**GRADES 6 – 12**
**CHOICE**
102 Gopher Boulevard | Grand Prairie, TX 75050
(972) 237-5603 | www.gpisd.org/gpfaa

GPFAA is a nontraditional secondary campus intentionally focused on creating a unique school experience for the artistically and academically talented student.

**How to know Grand Prairie Fine Arts Academy is right for your child:**
1. You want your child to be challenged and pushed to the limit through advanced academic and advanced fine arts curriculum.
2. You seek a unique non-traditional setting for your child that allows creativity and self-expression.
3. You want your child to work side by side with teachers, directors, and students in a family-centered environment.

**Unique ways your child can learn and grow here:**
• Being totally immersed in your fine art field by receiving additional training from professional guest artists, traveling within the state, nationally, and internationally for competitions/trainings/performances, and exploring options past graduation
• Graduate with college credits through Advanced Placement exams and dual-credit courses
• Experience your fine arts in every possible avenue as it is integrated into your academic courses as well

**YOUNG WOMEN’S LEADERSHIP ACADEMY**

at Bill Arnold

**GRADES 6 – 12**
**CHOICE**
1204 East Marshall Drive | Grand Prairie, TX 75051
(972) 343-7400 | www.gpisd.org/ywla

Young Women’s Leadership Academy offers 6th-12th grade girls a dynamic learning experience that encourages critical thinking, inspires confidence, and nurtures the intellectual and social development necessary for success in college, career, and life. Rigorous coursework, field-based exploration, personalized counseling, and a strong sisterhood all work together to help students transition from middle school to high school, then to higher education and beyond. YWLA is truly a hidden gem for a STEM-focused, college-bound education.

**How to know Young Women’s Leadership Academy is right for your child:**
1. You want your daughter to be accepted to a 4-year university and have scholarship money to pay for college.
2. You want your daughter to be involved in a close-knit, supportive community of teachers and students.
3. You want your daughter to thrive in a single-gender environment that focuses on growing girls’ confidence and leadership abilities.

**Unique ways your child can learn and grow here:**
• Experience hands-on, interdisciplinary learning opportunities
• Take advanced courses to prepare for college success
• Explore unique leadership opportunities

**CROSSWINDS ACCELERATED HIGH SCHOOL**

**GRADES 9 – 12**
**CHOICE**
1100 N Carrier Parkway | Grand Prairie, TX 75050
(972) 522-2950 | www.gpisd.org/crosswinds

Crosswinds Accelerated High School provides an alternative academic environment that provides personal graduation plans for students who want a compassionate, small learning environment that focuses on credit recovery, credit acceleration, and ultimately, graduation. Crosswinds assists students in staying in school, especially those facing challenges such as work, parenting, and other extenuating circumstances.

**How to know Crosswinds Accelerated High School is right for your child:**
1. Your student is more comfortable in a smaller educational setting.
2. Your student wants to accelerate his/her learning and graduate early.
3. Your student is at risk of not graduating with his or her cohort class.
4. Your student thrives in a supportive, warm environment and needs to experience academic success.

**Unique ways your child can learn and grow here:**
• Advisory component
• Individualized graduation plans
• Post-secondary planning for college, career, or military
• Flexible attendance options

**DUBISKI CAREER HIGH SCHOOL**

**GRADES 9 – 12**
**CHOICE**
2990 South Highway 161 | Grand Prairie, TX 75052
(972) 343-7800 | www.gpisd.org/dubiski

John A. Dubiski Career High School is a GPISD public high school of choice with a focus on equipping students with the skills they need for 21st century professions. Students choose a sequential course of study designed to prepare them for a 2-year, 4-year, or technical college. In addition to their high school diploma, students are also eligible to complete programs that award them with advanced certifications, industry training, and internship and career-field experiences. Dubiski offers HHS endorsements including STEM, Business & Industry, and Public Service.

**How to know Dubiski Career High School is right for your child:**
1. Your student is more comfortable in a smaller educational setting.
2. Your student wants to accelerate his/her learning and graduate early.
3. Your student is at risk of not graduating with his or her cohort class.
4. Your student thrives in a supportive, warm environment and needs to experience academic success.

**Unique ways your child can learn and grow here:**

STUDENT RESOURCES

Beyond the Bell
Beyond the Bell After School Program is designed to meet parents’ childcare needs, as well as provide social, educational, and recreational opportunities for students. Located on 20 campuses in Grand Prairie ISD, Beyond the Bell serves Pre-K – 6th grade students who can successfully function in a 1:17 teacher/student ratio. Our program is offered each school day from the ringing of the last bell until 6:30 p.m.

Beyond the Bell
GPISD Education Center
2602 S. Belt Line Road
Grand Prairie, TX 75052
(972) 237-5512
www.gpisd.org/BTB

Cafeteria Services
GPISD participates in the School Breakfast Program and National School Lunch Program and offers free and reduced-price meals based on a student’s financial need. Information can be obtained from the school office.

All students have an account that can be accessed using an assigned PIN number. Students may deposit money in their account for the purchase of lunches, breakfasts and a la carte items. Students are encouraged to purchase meal credits on the first day of the school week.

Please visit the Food Services department web page for up-to-date information regarding menus, pricing and accounts.

Transportation
The District makes school bus transportation available to students living two or more miles from school. Transfer students and Pre-K students are not eligible for transportation. Students may be picked up at their designated bus stop. A parent may also designate a child-care facility or grandparent’s residence as the regular pickup and drop-off location for a child. The designated facility or residence must be on an approved stop on an approved route.

Bus routes and stops will be designated annually, and any subsequent changes will be posted at the school and on the District’s website. For the safety of the operator of the vehicle and all passengers, students must board buses or other vehicles only at authorized stops, and drivers must unload passengers only at authorized stops.
