- III. Roundtable Discussions
  - Campus Safety. Mrs. Wesley initiated a CIC conversation regarding campus safety. Concerns and ideas that resulted from the CIC discussion included:
    - i. In the event of an actual lockdown event, what can teachers tell students that will keep them safe while, at the same time, reduce anxiety?
    - ii. Some districts use “PODs”, Parents on Duty. Is this something Travis World Language Academy should also consider implementing?
    - iii. Should Travis WLA perhaps implement unannounced lockdown drills so that no one becomes too accustomed to knowing 1) it is a drill and 2) when the drill will be.
    - iv. How can we best ensure the safety of students or staff in the library during an actual lockdown event?
