

2020 – 2021 GPCI School Supply List

Parents: One thing to keep in mind, according to COVID-19 Safety Protocols, there will be no community supplies or sharing of supplies.

Scholars will need to have their own supplies at all times.

Except where designated, all scholars will need the items listed below—rather for virtual learning or face to face learning.

- 3” heavy duty binder. Please do not purchase zip up binders or velcro binders. All instructors use the AVID binder process, so a good binder is important.
- 4 Composition Books
- Glue Sticks
- Highlighters
- Kleenex—for self-use for face to face learning
- Manila Folder (Writing portfolios)
- Protractor (Math Class)
- Ruler (Math and Science Class)
- Scissors (Rounded End)
- Sticky Notes
- Colored Pencils
- Combination Lock (6th – 8th grade PE)—for face to face learning only
- Loose Leaf Paper
- Pens/Pencils
- Pencil Bag
- Graphing Paper
- Index Cards
- Back Packs—for face to face learning. We highly recommend the plastic back pack over the cloth back pack so that it can be wiped down and cleaned on a daily basis.
