September 14, 2020

Reagan Parents,

As we approach the return to school for in-person learning on September 21, 2020, I wanted to share with you the safety protocols and campus procedures that have been put in place to ensure your child's safety as well as the staff's safety. This information can be viewed in the [Reagan Middle School Student & Parent Handbook](#). We have also put together a [video](#) for you to tour our campus.

We ask that you take time to review this handbook with your child and complete the [Student & Parent Handbook Receipt](#) by Friday, October 2, 2020.

Please know that our #1 priority is and will continue to be the safety of our students and staff. Although school will look different this year, we are excited about continuing to provide our students with an incredible educational experience. We ask that you remain patient as we navigate through this time together.

Thank you for choosing Reagan!
