

SCHEDULE CHANGE REQUEST FORM

Schedules will be visible through Skyward on August 10th. Online registration must be completed to view your schedule.

Mission Statement

The mission of the John A. Dubiski High School Counseling Services Department is to provide an equitable and data driven program to serve the social, emotional, academic, and post-secondary preparedness needs of our students. In partnership with fellow educators, parents/guardians, and community stakeholders, we diligently address barriers that may hinder student success and their ability to thrive.
