Grand Prairie Early College High School

Early College High Schools (ECHS) is an innovative high school that provide students with an opportunity to earn a high school diploma while earning up to 60 college credit hours. It is a small high school designed to offer students a personalized and supportive college-preparatory instructional environment, as well as a combined high school and college curriculum. Students have the opportunity to graduate with an Associate Degree or the Core Curriculum that leads to an associate degree. Whatever your academic or career goals, the Core Curriculum can help you to launch a successful future.

What does an Early College High School offer?

- It creates a means to higher education for first-generation college-going students.
- Provide dual credit courses at no cost to students and parents.
- Course work that mimics a college setting, plus students receive intense academic counseling to help them develop skills essential for post-secondary success.
- Increase college attendance and success rates for all students.
- Strengthen the connections between middle schools, high schools, and higher education to promote a statewide college-going culture..
- Assistance for under-represented students pursuing a higher education.
- Start college courses in your freshman year of high school.

Grand Prairie Early College High School

Escuela secundaria de colegio temprano (ECHS) es una escuela innovadora que da a los estudiantes la oportunidad de ganar el diploma de secundaria y a la vez ganar hasta 60 horas de crédito universitario. Esta escuela pequeña brinda un ambiente de enseñanza personalizada que prepara al estudiante para el colegio y un currículo que combina secundaria y colegio. Nuestros estudiantes pueden graduarse con un título de asociado o el currículo básico que guía a ese título. El currículo básico te prepara para alcanzar tus metas y realizar un futuro exitoso.

¿Qué ofrece una Escuela de Colegio Temprano?

- La oportunidad de estudiar al nivel universitario para estudiantes de familias de primera generación
- Cursos de crédito dual sin costo
- Estudios que imitan el ambiente universitario; consejería académica intensiva para ayudar a los estudiantes a desarrollar las destrezas que necesitan para el éxito después de la escuela secundaria
- Aumento en asistencia y éxito al nivel universitario para todos los estudiantes
- Mejores conexiones entre escuela intermedia, escuela secundaria, y universidades para fomentar la cultura de ir a la universidad en nuestro estado
- Ofrece ayuda a estudiantes que vienen de antecedentes no bien representados en la educación universitaria
- Acumulación de créditos universitarios desde la entrada a noveno grado
